Dear Parent,

I am very pleased to tell you that Pride Catering Partnership Ltd has been awarded the catering contract to provide school meal from Sept 2015.

Food should be one of life's positives and an enjoyable experience. Pride is committed to delivering Menus that use fresh, local & seasonal ingredients.

Each day children have a choice of three main courses, there is Halal and non Halal on offer as well as a vegetarian option and jacket potatoes with fillings as well as two vegetables. We have a salad bar and freshly baked bread on offer to go with their lunch each day. Dessert is a choice of a hot sweet, yoghurt, fresh fruit or cheese & biscuits.

We are pleased to say that the cost of school meals will remain at £2.05.

Payment

The new payment system is called sQuid. sQuid is electronic money, a convenient and secure way for you to pay for your child's school lunch using a pre-pay online account.

Once you have created a sQuid account for your child, you will also be able to manage your sQuid account online at any time:

- **Check your account balance**
- **View transactions**
- **Top up your account any time from your bank account, credit or debit card**
- **Update your child's details and preferences**

You will soon be sent a letter with your child's sQuid registration number, you can only register once you have this.

This is a 16 digit number which you should register on the sQuid web site. sQuid are FSA regulated and your money is held safely and securely in your child's online sQuid account.

To register your 16 digit sQuid registration number, go to <http://www.squidcard.com/pridecatering> and click the button that says, 'Click here to register'.
