

## The Early Years Curriculum at Cannon Lane Primary School.

At Cannon Lane we follow the Development Matters in the Early Years Foundation Stage (EYFS) document as the basis of our Reception curriculum (2012).

This is the non - statutory guidance material, which supports the implementation of the statutory requirements of the EYFS.

In addition to this we have a robust baseline assessment structure, to assess each child on entry, and exit from our Reception classes, which we are required to report to Harrow, at the end of the Reception year. We do this as a number of our children come from a wide range of nursery and pre - school settings before coming to Cannon Lane and have had different learning experiences as a result.

The Statutory Framework also requires for paediatric First Aid trained staff to be available for Reception aged children. Paediatric First Aid trained staff accompany Reception children on school trips.
