

How to create a sQuid account

Register online and top up your account

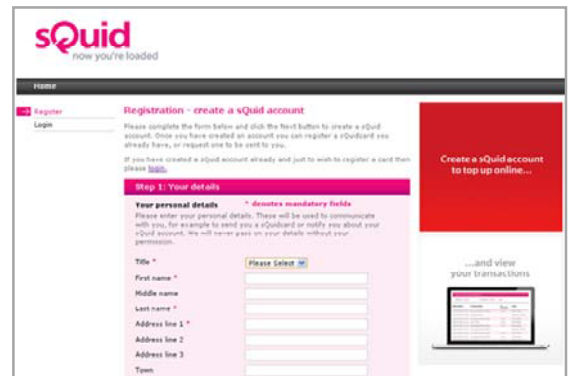

01 Register with sQuid

Go to squidcard.com/pridecatering and click on the 'Click here to register' link. You will then be re-directed through to the sQuid portal where you can register and logon to your account

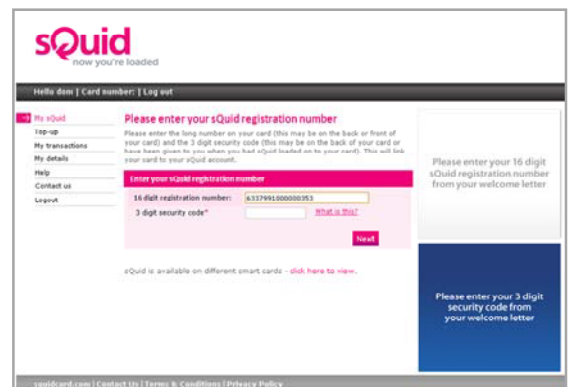

02 Create a sQuid account

Firstly you need to create an account with sQuid. You will need to give your personal details, create a Username and Password and your own personal Security question and Answer. You will be sent an email to your given email address confirming all of these details except for your password, which is known only to you.

03 Your sQuid registration number (SRN)

Having created an account you will be prompted to register your unique sQuid Registration Number, linking it to your sQuid account. This is the **16 digit number** and **3 digit security code** shown on the welcome letter.

04 Add funds to your sQuid account

You can add money to your account from a bank transfer or a credit or debit card. Click on the **Top-up** link in the left hand menu, select your preferred payment method and follow the online instructions. Once you have successfully topped up your account, you can start spending the new funds within the hour.
