School Newsletter – Issue 8

Welcome Back!

Happy New Year!! I hope that you all had a relaxing Christmas holiday and I would like to take this opportunity to wish you the very best for 2016! The school term has started well and it's great to see the children return to school with such enthusiasm.

Curriculum Newsletters

By now you should have received a copy of the Curriculum Newsletter for your child's year group for the Spring Term. This has been produced by our Assitant Headteachers and aims to give parents a clear idea of what children will be leaning about in each area of the curriculum. We hope that you find this useful.

Litter

We are very proud of our school and keen to keep it as clean and tidy as we can. I know that many children celebrate birthdays and other events with a small treat at the end of the school day. I am disappointed that many of these sweet wrappers end up on the playground or down the driveway and would be very grateful for your support in reducing litter on the school site. Please do remind your child of this and help us to dispose of all litter in the bins provided. Thank you.

Warm coats

We have had a surprisingly mild winter so far and even have daffodils springing up around the school! The weather is likely to get much colder over the next few weeks and we would ask that all children come to school with a warm coat (and hat and gloves if you wish). It would also be helpful if you could have a look at our 'Snow and Bad Weather Procedures' (on the school website under 'policies'). Thank you.

Spring Term dates

Dates for the Spring Term were sent out just before Christmas. These can be found on our school website (see Calendar).

With best wishes,

Mr A Phillips
Headteacher
