YEAR 5 VISIT TO THE SCIENCE MUSEUM, 'SPACE DAY'

Dear Parents/Carers,

Year 5 have been studying Space in Science. To support our learning in this area, we have organised a visit to the Science Museum to attend a space-themed day, as well an IMAX planetarium experience on Monday, 29th February 2016. The cost will be **£8.00** per child; this cost includes travel by public transport, the IMAX experience, and a workshop about Yuri Gagarin, the famous astronaut. If the school does not receive sufficient voluntary contributions it may be necessary to cancel the trip.

The children will not need any spending money. In order to keep the cost of the visit down, we will not be visiting the shop.

Children will need to be in uniform and should only bring their packed lunch in a **named** plastic carrier bag and a plastic bottle or carton of juice/water, so these can be disposed of once they are empty.

We need a small number of adults to accompany us; please indicate on the reply slip if you are available to help on this day.

Yours sincerely

Mrs H Mistry
