

Wizard Theatre – Drugs Awareness Workshop

Dear Parents,

Where have the past five weeks gone? It seemed like only last week that we had all returned to school after the Christmas break, yet so much has happened this half term! Children in Years 5 and 6 have been working extremely hard as they approach the mid-way point of the academic year. Year 6 have been representing Cannon Lane Primary School in numerous sports, such as football, netball and hockey. The children have been producing some amazing pieces of work, some of which have been displayed around the school. As we approach the second half of this term, you will have an opportunity to discuss any issues with teachers during our forthcoming Parents Evening in March. In the meantime, if you do have any issues that you would like to discuss, then please do not hesitate to contact myself or the class teacher directly.

We hope you have a restful half term!

Best Wishes from Mrs Mistry and the staff and children of Years 5 and 6.

### Record breaking attendance!

During Achievement assembly every week, a class in our phase is given the Attendance Certificate. 5H have won this prestigious award no less than 4 times! Attendance is extremely important in helping to maintain high standards of children's learning and understanding. Will their record be broken? You will find out in the next edition!

### Class Assemblies:

5O and 6A delighted parents and children with their assemblies this term! Star Wars and the Rio Olympics themes were chosen to explain what they had been learning at school, as well as sharing their knowledge and understanding about events around the world. Both assemblies were a huge success! Well done to both classes and their teachers.

## Wizard Theatre- Drugs Awareness Workshop

On Monday 1<sup>st</sup> February, Year 6 took part in a Drugs Awareness Workshop which was delivered by The Wizard Theatre Company. The actors, who have lead this workshop before at Cannon Lane, discussed issues such as making choices and peer pressure. The issue around making choices was shared with the children in a fun, yet serious manner, which allowed the children to share their views confidently.

### Values:

We began 2016 by focusing on the value of Positivity. Through phase assemblies and class discussions, children were encouraged to think about the importance of making positive choices in their lives. Such ideas included saying positive things to others and thinking of positive solutions when faced with a problem.

This month's value is **Caring**.

Please discuss the importance of this value with your child at home.

## Representing Cannon Lane Primary School is...

### Year 6 football team, netball team and hockey team.

Children in Year 6 have been representing our school in many sports, showing resilience, determination, respect and above all passion in their fields. Year 6 netball teams beat West Lodge in High 5 netball game. The football team has played home and away matches against other schools, displaying excellent sportsmanship. Mr McLachlan and Mr Aggarwal have ensured that the boys display high levels of respect towards each other and other schools. Our Year 6 hockey team won bronze in the borough's hockey competition. Both Mr Masters and Miss Hanley were very proud of the encouragement they gave to each other. Cannon Lane Primary school is very proud of all of the sports teams and hopes this string of success continues into next term!

### Maths Workshop

Thank you to all of those who attended the Year 5 and 6 Maths Workshop on Monday 1<sup>st</sup> February. Resources, including the presentation are available through the school website.

### Important dates:

25<sup>th</sup> February – 5H Class Assembly  
29<sup>th</sup> February – Year 5 trip Science Museum.
