Dear Parents and Carers,

The spring term has zoomed by; it is hard to believe we are more than half way through the academic year already! Although it has been a short term, it has also been an extremely busy one. This newsletter will give you information about what your children have been learning about this term and some dates for the next half term.

World Book day

As part of our celebrations leading up to World Book Day, the pupils in years 3 and 4 took part in a wide range of fun reading activities.

In year 4, they took part in a scavenger hunt, hunting for clues in various books.

Anjali: I had fun looking for the different books!

Tharun: I had fun communicating without speaking.

Ammarah: I had fun answering questions as a different character for the hot-seating.

Hatching eggs in 3AM

Last week 3AM had a special delivery of chicken eggs ready to hatch. Not long after they arrived, they began to hatch one by one!

A Chick Kenning poem- by Amatullah

A future egglayer
A hen maker
