Wild Science Visit

Dear Parents/Carers,

As part of their curriculum work, Year 2 are studying 'Living Things', therefore we have arranged for the children to be visited by "Wild Science" – a company specialising in bringing small animals into the classroom for children to experience "hands on" learning. This visit will take place on **Tuesday, 5th July** and we are sure it will be a fun day for the children.

We are requesting a contribution of £4.00 per pupil towards the cost of this workshop. If the school does not receive sufficient contributions, it may be necessary to cancel this exciting opportunity and others in the future.

Please inform us if your child suffers from allergies when in contact with animals – for example, allergy to fur. Please complete the permission slip below and inform us of any medical issues on the form, with your contribution in a named, sealed envelope to the class teacher or school office by **Monday, 13th June**.

Yours sincerely,

Miss Morton, Miss Hassard and Miss Hawke
