

## PE and Sport Premium 2015-2016

<b>Number of pupils and PE and Sports Premium received</b>	
Total number of pupils on roll (Sept. 2015)	720
Total amount of PE and Sports Premium (Sept. 2015)	£11,450
<b>Summary of PE and Sports Premium spending 2015 – 2016</b>	
<b>Objectives in spending PE and Sport Premium</b>	
<ul style="list-style-type: none"> <li>• To instill a love of sport and physical activity for all children.</li> <li>• To raise attainment across the curriculum (with a particular focus on physical education).</li> <li>• To increase access and participation.</li> <li>• To increase levels of competition both within school and outside of school.</li> <li>• To develop pupils' well-being and physical engagement during lunchtimes.</li> </ul>	
<b>Summary of spending and actions taken</b>	
Part-funding of specialist PE teacher to raise standards in PE	£3500
To provide a specialist gymnastics coach to work alongside teachers in curriculum time	£2700
To provide external sports coaches to lead lunchtime activities	£5400
Transport to enable children to take part in local sports competitions	£600
<b>Total</b>	<b>£12200</b>
<b>Desired Outcomes</b>	
<ol style="list-style-type: none"> <li>1. To achieve the Bronze School Games mark.</li> <li>2. To increase pupils' participation in inter-school competitions.</li> <li>3. To increase teachers' skills and confidence in the teaching of gymnastics.</li> <li>4. To raise pupils' confidence and self-esteem.</li> <li>5. To offer a wider range of extra-curricular sports clubs.</li> <li>6. To provide a positive and active lunchtime experience for pupils.</li> </ol>	

### **Impact Statement**

Children from KS1 and KS2 participated in a wide range of Harrow schools sports competitions including tag rugby, swimming, football, netball, tennis and cross country. As well as hosting some events at Cannon Lane, we travelled to venues across the borough to participate in competitions. Increased participation in competitions has encouraged other children to put themselves forward to take part; confidence and self-esteem has been raised

by our PE and school sport notice board which is regularly updated with photos and results from competitions and clubs. There has also been a significant increase in the number of children taking part in sports competitions (such as cross country running) outside of school.

Children in Key Stage 2 had gymnastics lessons taught jointly by a specialist gymnastics coach alongside their class teacher. Class teachers reported increased confidence in teaching gymnastics as a result of this. Children in Key Stage 1 were taught by specialist PE coaches during the year. These coaches also provided structured activities for children to take part in during lunch times which increased levels of physical activity in the playground during the lunch hour.

In September 2016, Cannon Lane School was awarded the Bronze School Games mark; we are now working towards our Silver School Games mark by continuing to offer a wide range of extra-curricular activities, encouraging children to participate in competitions and enabling our pupils to take on roles leading, managing and officiating in PE.
